Football Elevens Strengthen Lines

Second Clash Between Paia Maroons and Wailuku Blues Will Furnish Sport and Thrills Galore.

Football of an even finer and classier type than was enjoyed by the spectators last Saturday is looked for when the Wailuku Blues and the Paia Maroons clash for the second time on the Wailuku grounds gridiron Sunday afternoon. The referee's whistle will blow for play at 3:45.

It was established in the first meeting that the two teams are evenly matched, the fact that but two touchdowns were scored made that apparent, and the scoring came last in the game when a lighter line had been worn down by plunges of heavier opponents. Wailuku had a chance to learn its one point of weakness and has had a week to strengthen and bolster up the spots that were pregnable to attack in the first game of the season.

Wailuku has also had time to think over and study out the reasons that its offense was not more successful and to devise improvements in the offensive tactics that will be used in the coming game. But what is said of Wailuku applies equally to Paia. The Maroons also have the benefit of the knowledge gained in experience last week.

Both teams have been practicing consistently. It is reported that each has developed new plays. There are rumors that Frank Kalua will be seen in the Blue line and it is also reported that Foster Robinson will add further weight to the Maroons. Those are the reports most frequently heard of changes that are likely to be seen in the line-ups.

Football is here to stay on Maui, was the prophecy heard on all sides during the week. Those who saw the game have been telling their friends who were less fortunate. A week day attendance such as turned out was

Basket Ball Season To Be Started Soon

Basketball fans who have been wondering when this year's season would commence on Maui, will be glad to hear that the preliminary steps are about to be taken. A meeting has been called for Monday evening, November 7, at 7:30, in the Maui County Fair & Racing Association rooms at Wailuku for the purpose of discussing and lining up the coming series.

Last year the Maui basketball season closed far in advance of the first and season. By delaying the start of the basketball season this year it is expected that the team will be in the pink of condition and will not go stale before the inter-island series comes off, in the event that Maui enters the latter.

All persons interested in basketball and desiring to further this sport are cordially invited to attend the meeting above mentioned.

all that could be expected and it is forecast that at least double the attendance of the first game will line the side lines at the second meeting.

It was found necessary to play the games Sunday because of inability of several players to get away from work on Saturday afternoons regularly.

Japanese of Lahaina Hold Good Track Meet

A large and enthusiastic crowd was on hand to witness the track meet put on by the Japanese of Lahaina on Monday, in celebration of the Emperor's birthday. This was the first affair of its kind to be held on the Lahaina side and was highly successful in every way.

The results of the different events are as follows:

100 yards—S. Takatsuka, 1st; K. Nishikimoto, 2nd; T. Ohta, 3rd. Time 12.2.

220 yards—K. Kosaka, 1st; S. Hamai, 2nd; K. Kunichika, 3rd. Time 26.3.

Meeting Between Wacs and Puunenes May Be Last Game of Season

Fans, whether they be of the diamond or the gridiron variety or divided in their allegiance to the sports of baseball and football, need miss neither to see the other Sunday afternoon. The differences between the heads of the two sports have been patched up and healed and peace reigns once more. Baseball comes first on the program, at the Kahului Fair grounds, and football is the second course on the sports menu, served up at the Wailuku grounds.

Sunday's game may end the baseball season on Maui and settle the championship. Puunene rosters profess to believe that it will but players and backers of the Wacs assert otherwise and say the season will extend on to November 20 when the Wacs will be found waving at the top of the flag stag. Followers of both teams will be out in full force for the game.

Manager Cummings and Captain Alfonso of the Wacs have made deep, dark plans for a struggling come-back to be staged Sunday. There are rumors of consultations with kahunas which may, perhaps, account for the air of confidence that is being displayed.

Should Puunene repeat and take the game Sunday the Huskies are the champs but if the come-back on the part of the Wacs materializes the Ponies' chances grow bright.

The Kahului ball park has been the scene of much activity in the past week resulting in the improvement of the diamond to the extent that there should be fewer errors by the infield which it seems was the cause of the Wacs downfall last Sunday. Without a doubt it should be one of the hardest fought contests witnessed by the Maui fans this year.

The game will start at 1:30.

440 yards—Geo. K. Hasegawa, 1st; T. Fujiwara, 2nd; I. Fujikawa, 3rd. Time 1:04.1.

880 yards—S. Takatsuka, 1st; J. Yamada, 2nd; S. Iwami, 3rd. Time 2:38.

1 mile—Frank Pestana, 1st; Koko, 2nd; T. Yamada, 3rd. Time 6:41.1.

Half mile relay won by Town team (West side) composed of G. Okahiro, Geo. K. Hasegawa, M. Tsuda, S. Takatsuka. Time 1:54.1.

Tennis

Two tennis tournaments are now in full swing and some excellent matches have been played. Widest interest attaches to the All-Maui mixed doubles championship tournament which is still in the preliminary round but most of the matches reported have been in the men's handicap of the settlement club.

In the preliminary round of the All-Maui mixed doubles tournament, Phelps and Todd of Lahaina defeated Rietow and DeKay on the Lahaina courts Sunday afternoon, default. On Sunday afternoon on the Puunene courts, A. Hansen and Maybelle Taylor will play against David Wads-worth and Ann Simons.

In the first round (preliminaries) of the men's handicap singles tournament of the Settlement Tennis Club, the following matches were played: Wm. Baldwin defeated Aleong Yee, 6-4, 2-6, 7-5.

Twice as rich as ordinary milk

CARNATION Milk is pure cows' milk evaporated to the consistency of cream by removing part of the water only. Its volume as whole milk may be restored by diluting with half water. It is hermetically sealed and sterilized to insure its purity for you and always of the same high quality—rich, sweet, and pure. Use it for every milk purpose—it keeps longer and goes farther. When a recipe calls for 1 cup milk use only ½ cup Carnation Milk mixed with ½ cup water. Your grocer has Carnation in large and "baby" cans.

MAKE BETTER HOT CHOCOLATE WITH CARNATION

Four even teaspoonfuls cocoa, 6 teaspoonfuls sugar, 3 cups boiling water, 1 cup Carnation Milk, ¼ teaspoonful salt. Mix cocoa and sugar in a cup. Have water boiling. Heat cocoa pot by allowing hot water to stand in it for a few minutes. Heat Carnation Milk by standing cup of Carnation Milk in basin of hot water for five minutes or more. Pour a little boiling water into cup of cocoa and sugar to dissolve them. Pour into cocoa pot, add remainder of water boiling hot, then the hot Carnation Milk and salt. Serve at once. FOR CHOCOLATE use two or three times as much chocolate as the above recipe calls for

HAVE HOME-MADE ICE CREAM

Four cups Carnation Milk, 1½ cups sugar, 1 cup water, 1½ tablespoonfuls vanilla. Carnation Milk is always ideal for making ice creams of any sort, because of its purity and richness. Eggs are not needed. For plain vanilla ice cream, mix the sugar and a cup of the Carnation Milk together and let come to a simmering point; cook for five minutes in this manner; remove from fire; when cool, add remainder of milk and water, and the vanilla. Freeze. This will make about a quart and a half.

KEEP CARNATION HANDY for WHIPPING

Place can of Carnation Milk in water and heat to boiling. Remove promptly, and thoroughly chill by placing can on ice. When cool, open can and pour milk into chilled bowl placed in another bowl filled with cracked ice. After milk has become thoroughly chilled, whip in regular way with ordinary egg beater for about five minutes. Sweeten and flavor if desired. Keep on ice until served. Carnation Milk will whip satisfactorily without heating, but better results are assured when above directions are followed closely. (Flavor if desired.)
